- * Prices do not include HST and have been kept as low as possible in order to facilitate access to quality Naturopathic Care.
- * Please NOTE that visits in which you receive Naturopathic consultation, for example, counseling or remedy prescription along with a Bowen treatment, are billed as two separate entities (Naturopathic Consultation & Naturopathic Treatment respectively) according to the time spent consulting. Also NOTE that the cost of the Bowen Treatment allows for approx. 10 minutes of consulting in order to create the best Bowen treatment plan for you.
- * Products or supplements may be recommended for you, which may then be purchased here, or at any other location of your choice. You are in no way obligated to purchase products from the office. A selection of products is available here for your convenience. Some products are difficult to find and may require special ordering. Many of the products used are of exceptional quality and or strength and are only made available through a Licensed Naturopathic Doctor. The mark-up on all products is standardized and regulated through the licensing board to ensure public protection.
- * All fees must be paid for in full at the time of the visit including services and remedies. Receipts will be provided, which may then be submitted to your insurance company for reimbursement if applicable.
- * Payments may be made by Cash, Cheque, Debit, MasterCard, or Visa.

Schedule updated and effective as of January 1, 2017
